

CAPITAL

Capital Lumber Company, a distributor of specialty building materials since 1948, is an independently owned corporation with operations throughout the Western United States.

Facilities include 11 regional distribution centers with inventories consisting primarily of redwood, cedar, pine, fir, composite lumber and engineered wood products.

Support services are provided by the National Accounts operations and the company's Corporate offices.

Capital's 300 employees include 80 experienced, knowledgeable sales and marketing professionals calling on over 1,500 accounts comprised of retail and pro-sales building materials dealers, home centers and the outdoor living industry.

Our Mission

Capital Lumber Company is dedicated to being recognized as the leading distributor of specialty building materials in the Western United States by providing unequalled service to customers, unequalled fairness with suppliers, the unequalled opportunity for a fulfilling career for each employee and a reasonable rate of return for its owners.
