

CAPITAL

Capital Lumber Company, distributor of specialty building materials since 1948, is an independently owned corporation with operations throughout the Western United States.

Facilities include 13 regional distribution centers and multiple reload locations with inventories consisting primarily of redwood, cedar, pine, fir, engineered wood products and composite lumber.

Three additional business units focus on International Trading, Industrial and direct redwood trading.

Support services are provided by the National Accounts operations and the company's Corporate offices.

Capital's 300 employees include 80 experienced, knowledgeable sales and marketing professionals calling on over 1,500 accounts comprised of retail and pro-sales lumber dealers, home centers and the outdoor living industry.

Mission Statement

Capital Lumber Company is dedicated to being recognized as the leading distributor of specialty building materials in the Western United States by providing unequaled service to customers, unequaled fairness with suppliers, the unequaled opportunity for a fulfilling career for each employee and a reasonable rate of return for its owners.
