CAPITAL

The following are industry organizations with which Capital Lumber Company is proudly associated

Capital Purchasing Policy

For over 50 years Capital Lumber Company has supported building materials manufacturers who have consistently acted as stewards of the world's resources and who have conscientiously met or exceeded state and national standards and laws. It is our intent to continue to support those who meet these exacting standards.

Capital Lumber Company has been certified as a chain-of-custody distributor and can provide FSC certified products. Inquire at the location nearest you about the certified wood products available.
